TORONTO TWP. S.D.S.

re. . Lot 27, Con. 4, S.D.S., TORONTO TWP.

The following is taken from the Plans of the abovementioned lot and must not be published. Tioga.

John Marlatt received the patent of this lot on 30 June 1808 when he also receives the patent of Lot 27, Con. 3, S.D.S. Toronto Twp., and due to the descriptions of Lot 27, Con. 3, extending to the lake front instead of to the 4th concession line, he received the patent of Lot 27, Con. 4, also, but was not entitled to it.

Tremaine's map of 1859 shows a Mr. ? Upham living here at that date.

Sworn Documents by Wesley Patchett and Reuben Lush, in the Plans of Lot 27, Con. 4, S.D.S., Toronto Twp. state that a Henry Johnston was living on this lot and he sold it to William Kivell for \$100. William Kivell lived there until 1883 when his wife died. His son, Francis H. Kivell, was a young married man at this time and he and his wife lived there until she died in 1921 or 1922. He then sold the property and buildings to William Frank Oliver for \$1300, who in 1925 paid the Government \$25 to get a patent for it, as the original patent was no good.

re. Lot 27, Con. 4, S.D.S., TORONTO TWP.

The lake has broken through here, and they have had to move the house back three times. There are 10 acres of orchard lying at the bottom of the lake. The roadway that goes through to the Lakeshore Country Club has been moved three times in my time. (Harold Scholefield, Oakville, 1933.)
